RS Folding Ping Pong Table • Rafael Rodríguez

With the RS Folding, the sentence “I haven’t got space for a ping pong table” no longer makes sense. It breaks the mould. It restores design to its rightful place, combining the functionality of a folding ping pong table with our intense living design. It remains discreetly tucked away until it’s called into action, revealing all its charm. Once folded, by means of a simple mechanism, it takes up little space. And you can easily move it to the most convenient spot thanks to its tough all-terrain wheels. It will be waiting there for your next game.

Con el RS Folding la frase “No tengo espacio para un ping-pong” pierde todo su sentido. Rompe con todo lo preestablecido. Pone el diseño en el lugar que le corresponde y reúne en una misma mesa de ping-pong la funcionalidad del plegado y nuestro concepto de diseño *intense living*. Permanece discreta y escondida hasta que entra en acción y revela todo su atractivo. Una vez plegada, mediante un sencillo mecanismo, ocupa poco espacio, y puedes moverla fácilmente donde más te convenga, gracias a sus robustas ruedas todoterreno. Allí te esperará hasta la próxima partida.

Rule your ping pong world.
