Ombra Stool • Emiliana Design Studio

The Ombra stool shows itself as it truly and honestly is. It has nothing to hide. Its simple and clean shape is its own structure. Solid and resistant, with a comfortable, generous and ergonomic seat. It knows that the days are intense and the nights might be long. That's why it waits, discreet but alert for its time to come. Attentive to your conversations at the bar; accompanying you through hard work at the office; sharing a bite to eat on the terrace; waiting for dinner to be ready in the kitchen. It always has a place reserved for you. Get your Ombra and have a nice sit-down.

El taburete Ombra se muestra tal y como es. No tiene nada que ocultar. Sus formas sencillas y limpias son su propia estructura. Firme y resistente y con una sentada cómoda, generosa y ergonómica. Y es que sabe que los días son intensos y las noches se alargan. Por eso espera, discreto, pero alerta a que llegue su momento. Atento a tus conversaciones en la barra del bar; acompañándote en la oficina; compartiendo un bocado en la terraza; aguardando a que la cena esté lista en la cocina. Siempre tiene un sitio reservado para ti. Coge tu Ombra y toma asiento.
