Colección de mesas auxiliares, de noche y de centro compuesta por una tapa circular en mármol o MDF chapado en fresno y una estructura en forma de cruz chapada en fresno. La tapa y la estructura están formadas por tableros dobles con una separación entre ambos. Cuando la tapa es de fresno, la separación central está retirada 2cm con respecto al borde. Cuando es de mármol, la retirada marca el bisel de la tapa.

Collection of side, bedside and coffee tables composed of a circular top in marble or ash veneered MDF, and a cross-shaped structure in ash veneer. The top and structure are made of double boards with a separation between them. When the top is made of ash, the central separation has a 2cm offset from the border. When it's made of marble, the separation follows the shape of the bevel.
